## Interpret This

Sydney Smelds, well known actress has an old negro mammy in her employment. The other day a colored man appeared at the door seeking work. The old mammy met him and the following conversation was heard between the two.

"I don't rekonyou-all knows of ne-body what don't want to hire nobody to do nothing does you?"

"Yes, indeed, I doesn't."

First Farmer "That city girl is sure dumb."

Second Farmer "How so?"

P. R. "She looked at my wind-mill and then wanted to know if anybody was hurt in that aeroplane wreck."

John "I can't tigure up here, it's too crowded. When I do my arithmetic I need plenty of room."

Mr. Woods "Why don't you do it in your head, then?"

Shoe Salesman "I can see, ma-dam, that your regular size is a 3. At the same time, you will find it's so comfortable that I might almost recommend you to wear 5's."

Prospective Roomer "But you advertised a bed-sitting room."

Landlady "Certainly, this is it."

P. R. Well, I see the bed, but where is the sitting room?"

L. "On the bed, sir."

## Children Halt Price

Little Gettie and her mamma were doing the sights of the town. Soon they came to a show, where a fake announced "Children Halt Price."

"Oh, do lets us go in, mamma, said the little one, and buy a baby while they are so cheap."

Georgette "Does your wife write to you regularly?"

Karl "No, I gave her enough money before she left."

Cecil refused Freddie two weeks ago and he has been drinking heavily ever since.

That is one trouble with Fred he never knows when to quit celebrating.

## Can You Tell What This Means?

Virginia "Figgie told me that you told her that little secret I told you not to tell her."

Loraine "What? that mean thing? I told her not to tell you that I told her."

V. "Well, she told me anyway, and I told her I wouldn't tell you she told me, so don't tell her I told you."

## A Reliable Tenant

A Martin man called up a bud-gee the other day and said,

"Have 30,000 cockroaches sent up to me at once."

"What in heaven's name do you want with 30,000 cockroaches?"

"Well, replied the householder, "I am moving today and my lease says I must leave the premises here in exactly the same condition I found THEM in."

## Natural Error

Cop "What's the matter with you Rube? Can't you see those red and green lights?"

Paul White "Yes, sir."

Cop "And yet you ignore them?"

P. W. "I looked at them."

Cop "Then if you saw them and drove by them will you tell me what you think they are lit for?"

P. W. "Christmas!"

## A Tip

Teacher "Johnny, your conduct is outrageous. I am going to consult your father."

Johnny "Better not, teacher, it will cost you \$83.00. He's a doctor."

## Attention Ladies!

### For Sale

A gentleman having four or five oriental rugs.

My wife is an inveterate smoker. Why, three times, she's set the bed on fire with her cigarettes. Would you recommend a suit for divorce?

Either that or a suit of asbestos pajamas.

Well Moses what is you doing now? I'm managing a laundry.

What is the name of your laundry? Liza!

College Senior "What would you advise me to read after graduation?"

English Professor "The Help Wanted column."

## New Cosmetic Stunt

Miss Bright "I use the dumb-bells to get color in my face."

Her Uncle "Sensible girl! That's a lot better than using color on your face to get the dumb-bells."

One day Josie Pane and Johnnie Ache were married in sweet refrain. Now all the neighbors say, their home is full of little aches and pains.

The biggest joke yet is Mr. Grantham's mustache.

An old negro went out and got drunk. When he got home he went out to the coal bin and lay down in the coal. When his wife went out to get some coal she saw him there and exclaimed.

Why Bob, what is you doing there?

Oh, I am just laying in our coal for next winter.

Bob "Why is it you never see no runners in Bernice Stone's hose?"

Cy "Why they know better than to start for they know they would never get down."

Mr. Claxton "You know Mrs. Grantham sure is economizing."

Mr. Powell "Well, how is that?"

Mr. Claxton "She is having Mr. Grantham to grow him a soup strainer on his upper lip."

Mr. Turner tells this one of an English army officer who was stationed in Central Africa at the outbreak of the World War.

At this particular place the officer had a receiving set but no sending station. One day this message came out of the ether.

War Declared. Arrest all enemy."

Three weeks later a runner came into general headquarters with a letter from the officer which read like this "Hey arrested six Germans, four Spaniards, two Portugese, three Frenchmen, and one American. Please wire who we are at war with."

Bill had a bill board

and also had a board bill

Now the board bill, boarded Bill, until he sold the bill board to pay the board bill. Then the board bill bored Bill, no longer.

## Time Is Money

voice received by a clergyman.

This is to let you know that me and Mrs. Sarah Lazlooth driven on coming to your church on Saturday afternoon, next, to undergo the operation of matrimony at your hands. Please be there promptly, as the day is tired by the hour.

Respectfully yours,

James Paul White.

They (to his son Moses) How much is twice two?

Moses "Six ladder."

Ikey "Twice times two is not six, it is four."

Moses "Ya, fooder, I knowed it, I said six so you could Jew me down."

They call her "Angel" because she is no good on earth.

## To A Box Of Soap

A lonely cake of soap I see, it sits so sad and still, some careless owner left it there where cleansing waters spill, quite homeless in its present state, it watches terrified, expecting doom from everyone of those who come inside.

Fear not, thou harmless hunk of grease, for I can sympathise, too well the fate of missing cakes I've learned to reause,

knuck up! No enemy is near, no danger do I see:

I love you, little bar of soap so come aside with me.

Oscar "Aren't rosy cheeks a sign of health?"

Mayme "I should say they are."

Oscar "Well, I saw a girl the other day who was a lot healthier on one side than on the other."

Little Boy Blue, come blow your horn! You're nearing a crossing your brake lining's worn!

Little Boy Blue didn't let out a peep. He's under a tombstone fast asleep.

The Lord's Prayer Please, dear Lord, help me to be as popular as that dog that ran thru our lecture room this morning.

Professor Give me an example of wasted energy."

Freshman "Yes, sir, telling a han raising story to a bald headed man."

Our pessimistic friend says that if all the worlds a stage, the women are given all the speaking parts.

Eliz "I'll be yours an one condition."

J. E. "Easy! I entered college on six."

Flirtation is attention without intention.

Paul White "What makes you so uneasy? Is your conscience troubling you?"

Horse Stanfield "No, its my winter underwear."

He (seriously) "What are the last three hairs in a dogs tail called?"

She (very seriously) "Well, truthfully, Jack, I don't know. You tell me."

He (very, very seriously)—"Why dog hairs."

"Isn't he graceful tho? I like to watch him. He's so light on his feet."

"Just a case of both ends balancing."

"Hay, officer, haw do you call a cop?"

"Just say Moses and the bull rushes."

Said the skunk to the hunter with a shiver and a shake.

"What a whale of a difference a few 'scents' make."

Burney "I see here where a woman married a man for money. You wouldn't marry me for money would you?"

Eliz Murrel "I wouldn't marry you for all the money in the world."

# El Toro

By El Toreador

Our weather report Sunday generally correct, probably followed by Monday.

The flapper captured good picture post.

Somebody opened the door and influenza.

We recently bought a safe-stroke razor, but it won't.

Lashley says I'd rather be burnt on my vacation as blistered on my week-end.

It has been no trouble to persuade the Physical Ed boys to refrain from sitting since the semesters in the Gym Thursday. In turning sand flips most of the class did not light on the feet.

Ask Brain how he got the corner that front tooth knocked off.

News Note: Several of the boys assisted in catching a stray dog found on the campus Thursday afternoon. The cat it was a howling success.

## STUDENTS PROF.

The professor wants to know why much a student is getting out of the course while the student wants to know how much he can get out of the class.

Twice a week a letter to Mr. Wood to build a ladder and place it in the dormitory. Now he wants to have a hunt a pole to set the clock.

## THE RAVIN

Once upon a time a night mare whiff was in a cage and a party of many a rough and tumble portion of Weakey County.

When I had been nearly napping, suddenly I woke up with a jolt. As of some time I was in the middle of a dream.

The ravin was a good one. I entered.

Only this at the thing in me.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

At last I saw the ravin in the middle of the ravin.

So now when I go courting, no more may I be sporting  
I must walk o'er land and river,  
For the trusty aged river, is  
Nevermore.

## Who Knows?

Whether Burney Car is ever as busy as he appears to be?

Do the Dormitory girls like hash?

What happened to Juanita Towner Sunday night that she got home so early?

How to study in the Book Store?

How Pauline Hicks manages to keep her dates and lessons all going at once?

Whether the mouse that climbs a woman's skirt today is part kangaroo?

Why Jennie Lanier is so handsome and yet is not in the movies?

Is this prayer should be answered?

O, Lord, give us fewer classes and shorter lessons, give us later and smaller hours and make men bigger and better, and more of them, Amen.

Why a girl promises to become a sister to a fellow when she refuses to marry him, but when she accepts, she promises to be a bother to him?
